THE DOs & DON'Ts OF SPECTATING

(Please read)

1. Cars under competition conditions can lose control and leave the defined road at any time. Do not stand in any areas which are not authorised or which are contrary to the advice of the organisers and officials/marshals.
2. Be prepared. Weather wise, bring hats, ground cover, sun screen and protection in case of rain or cold weather. Food and drink outlets may be provided at the spectator point (refer spectator instructions), but if not, ensure you have some of your own food and drinks available.
3. Park your car sensibly so that it will not obstruct emergency vehicles, competitors, service crews or other spectators. In all cases obey parking instructions given by supervising officials. It is usually best to park your car facing the way out.
4. Do not try to emulate rally drivers. Remember that if you give cause for complaint it will reflect badly on the rally and the sport as a whole. Drive carefully both to and from spectator viewing areas, and be ready to give way if necessary on narrow stretches of road.
5. Please do not take dogs or young children to spectator points. If you have to, make sure they are completely under your control and please make sure that animals and children do not get in the way of competing cars or mechanics or officials when they are working.
6. Do not light fires or smoke in the forests. Do not smoke near a car that is being serviced or refueled.
7. At all times keep clear of controls, including from the timing marker to the control area. If control officials ask you to move, please help them by doing so - remember they have a job to do which can be difficult enough as it is. If you do want to see a control point in action, remember to stand well back from the control area.
8. Take your entire litter home with you - it is handy to have a bag or carton in your boot. Cans and paper do not help beautify our forests.
9. At service points do not crowd mechanics when they are working. They would not appreciate it. Neither will you if someone drops a wheel or a sump guard on your foot!

SPECTATOR INSTRUCTIONS (Please Read)

1. Spectators are directed to view the cars whilst standing within the markers indicating the limits of the controlled spectator area - spectating outside those areas indicated is prohibited.
2. Spectators must not stand in prohibited areas, and must at all times stand behind the bunting or barriers which mark the spectator area.
3. The instructions of the Spectator Marshals must be obeyed. The Spectator Marshall has the power to have a stage postponed until the spectator point is controlled to his / her satisfaction.
4. It is prohibited to ignore the spectator instructions and find your own way around. Not only is there a danger of meeting up with an oncoming rally vehicle, but many roads have wash-aways, collapsed bridges, etc. which are potentially hazardous for the driver. The main spectator route has been surveyed and is safe.

RISK WARNING AND ASSUMPTION OF RISK

Motor Sport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death. If you do not wish to be exposed to such risks, then you should not participate in Motor Sport Activities.

I acknowledge that:

- the risks associated with attending or participating in Motor Sport Activities include but are not limited to the risk that I may suffer harm as a result of:
 - motor vehicles (or parts of them) colliding with other motor vehicles or persons or property;
 - others participants acting dangerously or with lack of skills;
 - high levels of noise exposure;
 - acts of violence and other harmful acts (whether intentional or inadvertent) committed by persons attending or participating in the event; and
 - the failure or unsuitability of facilities (including grand-stands, fences and guard rails) to ensure my safety.

EXCLUSION OF LIABILITY, RELEASE & INDEMNITY

In exchange for being able to attend or participate in Motor Sport Activities, I agree:

- to release CAMS and the Entities to the extent that any or all of them are providing Recreational Services from all liability for:
 - my death;
 - any physical or mental injury (including the aggravation, acceleration or recurrence of such an injury);
 - the contraction, aggravation or acceleration of a disease;
 - the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs;
 - that is or may be harmful or disadvantageous to me or the community; or
 - that may result in harm or disadvantage to me or the community, howsoever arising from my participation in or attendance at the Motor Sport Activities;
- to indemnify and hold harmless and keep indemnified CAMS and the Entities to the maximum extent permitted by law in respect of any Claim by any person;
- to be bound to the rules, regulations and policies of the Entities; and
- to attend at or participate in the Motor Sport Activities at my own risk.

I understand that:

- nothing in this document excludes, restricts or modifies any rights that I may have as a result of significant personal injury that is caused by the Reckless Conduct of CAMS and the Entities as the supplier of Motor Sport Activities / Recreational Services;
- nothing in this document prevents the Entities from relying on any laws (including statute and common law) that limit or preclude their liability;
- nothing in this document excludes any term or guarantee which under statute cannot be excluded; however the liability of the Entities is limited to the minimum liability allowable by law;
- nothing in this document precludes me from making a claim under a CAMS insurance policy where I am expressly entitled to make a claim under that insurance policy; and
- CAMS has arranged some limited personal injury insurance coverage which may provide me with some protection for loss, damage or injury that I may suffer during my participation in the Motor Sport Activities. However, I acknowledge and accept that the insurance taken out by CAMS may not provide me with full indemnity for loss, damage or injury that I may suffer during my participation in the Motor Sport Activities, and that I may have to pay the excess if a Claim is made under an insurance policy on my behalf. I agree that my own insurance arrangements are ultimately my responsibility and I will arrange any additional coverage at my expense after taking into account CAMS insurance arrangements, this document and my own circumstances.
