

Thank you for participating in the 2022 Fast Track Towing and Transport Nissan Nightmoves Rally. We hope you've recovered and thawed out after a somewhat cold night, and that you enjoyed the event that we worked so hard to put on for you.

The event all ran smoothly and this would not have been possible without the expertise of the small band of volunteers who worked so hard. Thanks must go to:

- Trevor Woods, our front-man and event Secretary. He's on top of everything and keeps the competitors all informed all steps of the way. He drove me around the forest to write route instructions when I couldn't because I am clumsy and broken. He's the best.
- Denise and Greg Chenhall need the biggest thank you. These two not only organise over 60 sets of officials (I know you competitors saw them - there's a lot!), but they organise so many other aspects of the event, especially when my household came down with the flu two weeks before the event, and then decided to go to NSW to do a rally a week out. Knowing they were out in 000 on the night was a big relief.
- Brian Portz, Sue Day, Jan Rattray and John Patterson were hard-working on the weekend itself with setting up (over 5km of bunting!) and any other jobs which needed to be done.
- Andrew Woods is the unflappable scorer. He was also good at fixing the timing beams that didn't work.

In the following pages you will find the provisional event results. These will become final at 9.00pm on Saturday June 25th 2022 if no problems are found.

We are finalising the details of location and date for the presentation and this will be communicated ASAP. Trophies and prizes will be awarded to the following competitors:
