- 10.1. After special stages **3&8** there is a remote refuel location as per your route instructions. For VRC crews, you will have completed 46.23km of special stage and 47.97km of liaison. After the refuel, VRC crews will have 21.47km of special stage and 27.08km of liaison to Service/Finish. For VCRS Crews, the distance to the refuel is the same as the VRC, but you will have 14.92km of special stage and 32.52km of liaison to Service/Finish. No other servicing is permitted.
- 10.2. Crews participating in the remote refuel, must have a separate fire extinguisher to the one carried in the competing vehicle. This must be next to the car whilst refueling is taking place

11. CONDUCT

- 11.1. Competitors are reminded to conduct themselves appropriately - Judges of Fact will report any Misconduct to the Stewards, which will be dealt with accordingly.
- 11.2. Crews found speeding either by Police or by the use of Rallysafe will be referred to the Stewards to have the following penalties applied:
- Exceeding Quiet Zone or civil speed limits by up to 30 km/h above the relevant limit
1st offence: \$200 fine 2nd offence: 5 minute penalty 3rd offence: Exclusion
- Exceeding Quiet Zone or civil speed limits by greater than 30 km/h above the relevant limit:
1st offence: \$200 fine plus 5 minute penalty 2nd offence: Exclusion
- 11.3. No wheel spin will be allowed at the start of ALL stages for both VRC and VCRS Crews. Any Crew found to be deliberately wheel spinning will have the following applied:
1st offence: 30-sec 2nd offence: 60-sec 3rd offence: Exclusion
- 11.4. ALL competing Crews will be running at 1 minute intervals. The organisers have allowed enough time for ALL Crews to be at the start of ALL stages with enough time to be organized. ANY CREW THAT FAILS OR DELIBERATELY HOLDS UP THE START LINE will be told to pull aside and will be repositioned 5 car spaces behind the previous start time. This position will be held for the remainder of the rally. NO EXCUSES!

11.5. VCRS Crews are also reminded that the use of pace notes is forbidden. ANY VCRS Crews found to be using any other information other than the supplied road book will be reported to the Stewards and recommended for exclusion from the event. **Checks will be conducted.**

12. RECONNAISSANCE

- 12.1. Reconnaissance will be conducted as per the schedule. All stages will be open and closed at the same times
- 12.2. Only the Driver and Co-Driver are permitted in their registered reconnaissance car. It is strictly prohibited to have more than the registered Crew in the registered car. Any Crews found to be breaching these rules will be reported to the Stewards, which may result in not starting the event and forfeiting the Entry Fee. Special circumstances can be granted by application to the Clerk of the Course via email before Friday 14th September.
- 12.3. The maximum speed is 60-kph on all competitive stages.
- 12.4. There is a maximum of 2 passes of each stage.
